REQUEST FOR SUPPORT - RAF INGHAM HERITAGE CENTRE

Dear Friends

Ingham Aviation Heritage is a Registered Charity, made up of volunteers and members from the local community. Our aim is to create 'RAF Ingham Heritage Centre', utilising the old Airmen's Mess building on the former RAF Ingham airfield. The Heritage Centre will tell of the deeds and sacrifices made by the Polish, Canadian, Australian and British Air & Ground crews who served at RAF Ingham and of the local community who supported them. It is intended that the Heritage Centre will contain an Educational Wing, where schools and local groups can visit, to learn about their local history.

We are already engaging with the Heritage Lottery Fund (HLF), who require that we provide 'proof' of the interest and need within the local and greater community for this project. In order to achieve this, we need to collect letters of support from schools, organisations and groups like yours, as well as Petitions of Support from individuals. Consequently, would you please consider providing us with a letter of support and ask as many of your team, colleagues, neighbours etc, as possible, to sign the Petition of Support. The Petition only requires a name and post code; no address or signature.

Please let me reassure you, that providing a Letter of Support or completing the Petition of Support, does not bind you to any commitment or obligation, whether financial or otherwise; it simply demonstrates your support for this Community based Charity Project.

Many Thanks in advance for your support.

Kind Regards

Geoff

Mr Geoff Burton
Chairman/Trustee
